2023 Quadrennial Conference EXAMINATIONS COMMITTEE REPORT

MEMBERS

- Reverend Robert Lopez, Chairmen
- Reverend Rosemarie Quezada
- Reverend Bruce Heil

REPORT

The examinations committee was formed with three members as per the guidelines of the IPHC manual for the purpose of examining the qualifications and credentials of new ministerial candidates for licensure and ordination. New candidates for local church worker license are recommended and approved in accordance with the recommendation of a licensed pastor and works under their license and authority.

Two dates were set and announced via both email and text as well as live announcements during several conference events.

As of today, May 10, 2023, both dates have passed, and we have received neither notice nor application for any new candidate. Therefore, for this year, there are no new candidates for ministerial credentials.
