2023 Quadrennial Conference FINE ARTS MINISTRY REPORT

MEMBERS

- Minister Christopher Wales; Director
- Assistants; Carole Burgess, Christy Gimer, Chris Roche

REPORT

- This was our third year with no Fine Arts. It is terrible what COVID has done and I pray we stand strong and get back to serving our youth and giving them the opportunity to serve in our churches using their talents and gifts.
- One goal for 2024 is to visit each church at least once, and connect with your youth.
- I am seeking God's wisdom in prayer, and looking at the creation of the RMC Fine Arts Choir and the opportunities for the group to get involved in the communities.
- This year, we are planning a Fine Arts Workshop for your children and youth to attend, which will include training, workshops and teachers from around the country.
