REPORT

This past year we have attempted to reach out to every man in our churches through breakfasts and conference meetings. I am thankful to all who helped so graciously to make these events enjoyable, hospitable, and rewarding.

Pastor Bobby and Ruthie Carey hosted the Men's Ministry Breakfast at New Haven in August 2022, and Pastor Jerimie and Ashley Olvera hosted the Men's Ministry Conference and breakfast at 180 Community Church in November 2022.

I wish to thank all the pastors for encouraging the men of your church to participate in Men's Ministry events. I have received encouraging reports that the men who have participated have been blessed through worship, the Word, fellowship, and especially through the Presence of Our Savior.

I continue to pray that each of your congregations will continue to grow in attendance, in spiritual maturation and in awe of Our Father, Our Lord and Savior Jesus Christ, as well as in the power of The Holy Spirit.
