### REPORT

---

- In August of 2022 we were blessed to be able to hold our Mission's Conference at Last Harvest Ministries Church. We had a very good attendance and were blessed with Dr. Vijay and Apa Balla, Brian Nix, Heriberto and Tania Martinez, as well as Jonathan and Angie Burgess as our guest speakers.
- This year our Missions Conference is tentatively set for October 21, 2023 with location TBA.
- As of December 2022 our total giving to missions by the conference was \$32,229.37. This included all individual missionary support, special offerings and other ministries (GO, People to People etc.)
- A breakdown of what your individual church has contributed to each missionary or ministry can be obtained by contacting me at (719) 424-9076. For a more detailed breakdown, visit the IPHC Website, at [www.iphc.org](http://www.iphc.org), and click on the link for Kristen Seay.
