2023 Quadrennial Conference WIN MINISTRY REPORT

MEMBERS

- Reverend Bruce Heil; Director

REPORT

- In July of 2022, I was privileged to attend the Quadrennial Conference of the IPHC in Jacksonville, Florida. We voted on numerous pertinent changes, revisions, and additions to our Conference over the next 4 years, The Budget Allowance allotted to the WIN Ministry allowed me to be part of this world changing Conference, to which I say Thank You.
- There are, and will continue to be, many opportunities to be in prayer for our Conference, local, as well as worldwide. Prayer continues to be an important aspect in the work we do in the Kingdom.
